

HLTFA301C - APPLY FIRST AID COURSE

Many employment roles for healthcare in Australia recommend or require healthcare workers to hold a current first aid certification.

Adept Training has an established partnership with Allens Training Pty Ltd (registered training provider No. 90909). As a co-provider with Allens Training we provide the First Aid course in partnership with Allens Training.

On completion of this course successful candidates will receive a nationally recognised certification.

We offer the accredited First Aid course over one day. Students will be required to complete an ONLINE workbook prior to attending the one day face-to-face training session. This course is excellent value for money, fun, interactive and allows participants to study the theory in their own time at home and demonstrate the techniques of first aid under the supervision and guidance of a qualified instructor.

This course is in partial completion of HLT21107 Certificate II in Emergency Medical Service First Response. There are no pre-requisites or co-requisites for this competency unit.

The course *incorporates* the content of the following units:

- HLTCPR201B Perform CPR
- HLTFA201B Provide basic emergency life support

Students will learn the skills and knowledge required to provide first aid response, life support, management of casualty(s), the incident and other first aiders, until the arrival of medical or other assistance. This course is suitable for those students requiring workplace first aid skills.

Bookings are essential and we strongly recommend students book at least two weeks prior to the course commencing so you have time to complete the ONLINE learning. You will need to log into Allens Training website: www.allenstraining.com.au and complete the ONLINE work book.

On successful completion you must print off your Certificate for the theory component of the course. **BRING THIS WITH YOU TO CLASS.** If you wish to purchase a printed copy of the first aid manual and workbook you may at a cost of \$20. Completing your workbook may take up to eight hours – please do not leave this until the night before!

If you fail to complete your ONLINE workbook tasks or the hard copy, you will not be allowed to participate on the day and will have to re-book your course (\$120 rebooking fee applies). If you purchased the textbooks please do not lose your first aid manual or workbook as you will have to purchase another or complete the ONLINE option.

This one day will be dedicated to delivering *hands-on* practical training. You will demonstrate CPR, mouth-to-mouth resuscitation, bandaging, splinting and many more first aid techniques. Bandages and face shields will be provided to participants.

Cost: **\$120** (no concessions are offered on this course)

Students enrolled in another Adept Training course may enroll for discounted price \$100 (non refundable)

Time: 9am – 5pm

Dress: comfortable loose clothing should be worn (minimum jewellery as this can inhibit your ability to participate in demonstrations)

On successful completion of the course (including completion of your workbook) you will be awarded a **Statement of Attainment for HLTFA301C – Apply first aid**, a unit of competency from the Nationally Recognised Health Training Package HLT07.

Issuing of Statements of Attainment to students who successfully complete this course are not available on the day; they will be posted out to participants within 4 to 6 weeks of the course completion.
